**Explanatory notes:**

*Directors are under a legal duty to avoid a situation where they may have a direct or indirect interest that conflicts or may conflict with the interests of the company (Companies Act 2006, s175). It is inevitable that at times such conflicts may arise and these are not always foreseeable in advance. Any potential interests should be declared at the earliest opportunity to allow for any conflicts of interest to be properly managed.*

*“Family Member” should be construed widely, including any partner, children, siblings, parents, grandparents, in-laws, etc.*

*“Employed by” should be interpreted as an employment or other similar relationship which may allow you to exercise influence or control over an entity, particularly if it relates to any area of LINX’s business.*

You should disclose any relevant interests, whether or not you believe they amount to conflicts.

If you have any queries about what should be declared, please contact the LINX Chair, or Company Secretary.
